Do you struggle with heterosexual thoughts and/or behaviors that are against your values?

Do you experience heterosexual thoughts or feelings but find the heterosexual lifestyle is not for you?

Do you secretly despise the common rituals embodied in a heterosexual lifestyle such as: weddings, boob jobs, bowling teams, Julia Roberts movies, and the generation of screaming, puking infants?

Do you want to be Gay or Lesbian but fear God might not approve?

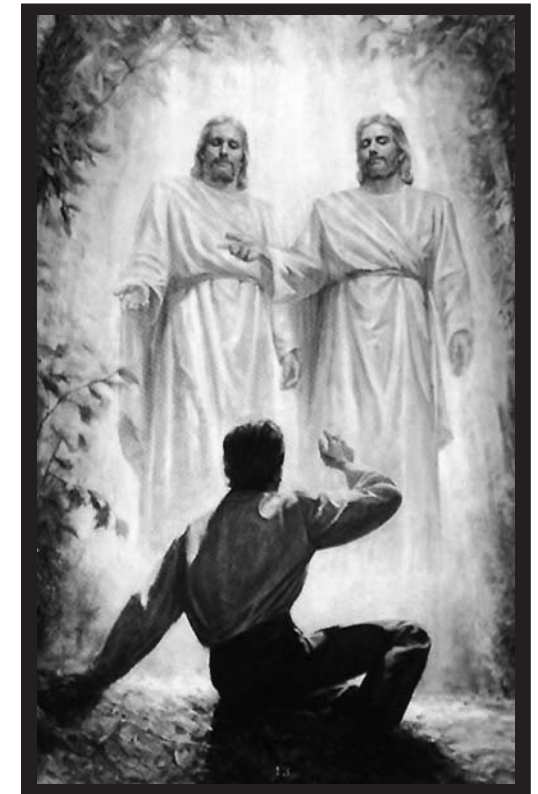

Do you resent the pressure some in society are placing on you to accept the heterosexual lifestyle?

Are you living a double life that causes constant turmoil, shame, confusion and misery?
